WESTGATE PLAZA

Work Hard, Play Hard. Where Business Gets Done

Class A Finish Outs

The Westgate Plaza location is centrally located and excellent for business. The building finishes feature high-quality design and materials. Our service includes concierge maintenance. The local family ownership believes in reinvesting into the properties and invested over \$2,000,000.00 so far over the last 5 years in property improvements. Our 2022 maintenance & property beautification programs are fully budgeted.

The finish outs include high-end Timely prefinished metal frames with solid core birch finish doors. The ceilings are 2' x 2' reveal edge tiles. LED energy-efficient motion-activated lighting throughout the offices. High-end replaceable carpet tiles are used. Breakroom high-end cabinetry products feature soft-close hinges and dovetail drawers with quartz countertops, under-mount stainless steel sinks, and delta faucets with integrated pull-down spray handles. Optional upgrades are available.

All roofs are fully upgraded with energy-efficient TPO and maintain an R-39 insulation value. The well-lit outdoor parking lots, as well as building exteriors and entrances, utilizes energy-efficient LED lighting.
